With respect / regard to planning, we need more background information.
According to the survey, our customer service needs reviewing.

Adding ideas
In addition to this, I'd like to say that our IT business is going very well.
Moreover / Furthermore, there are other interesting facts we should take a look at.
Apart from being too expensive, this model is too big.

Talking about (difficult) issues
I think we first need to identify the problem.
Of course, we'll have to clarify a few points before we start.
We will have to deal with the problem of increasing prices.
How shall we cope with unfair business practices?
The question is: why don't we tackle the distribution problems?
If we don't solve this problem now, we'll get / run into serious trouble soon.
We will have to take care of this problem now.
We are currently having difficulties with…

Rhetorical questions
What conclusion can we draw from this?
So, what does this mean?
So, just how good are the results?
So, how are we going to deal with this increase?
So, where do we go from here?
Why do I say that? Because …
Do we really want to miss this opportunity to …?

Conclusion

Indicating the end of your talk
I'm now approaching / nearing the end of my presentation.
Well, this brings me to the end of my presentation.
That covers just about everything I wanted to say about …
OK, I think that's everything I wanted to say about …
As a final point, I'd like to …
Finally, I'd like to highlight one key issue.
