

04. Topic Writing

Write *and* ***upload*** *an* ***essay*** *in about* ***100*** *words, in an appropriate style, using the words on the wordlist.*
The topic is WEATHER.
Your essay must begin with the words…

1. In the last few months, extreme weather events have been responsible for much damage around the world.
2. The weather is changing around the world because of global warming.
3. Hurricane Katrina hit new Orleans in August 2005, causing devastating deaths and destruction.
4. The English have a strange expression to talk about a rainy day: *It's raining cats and dogs!*
5. Some people are meteoropathic, and the weather influences their mood.
