

04. Topic Writing

Write *and* ***upload*** *an* ***essay*** *in about* ***100*** *words, in an appropriate style, using the words on the wordlist.*
The topic is FOOD.

Choose one of the following questions:

1. A stereotype about Britain concerns its cooking. Do you agree that British cuisine is terrible?
2. "Eat breakfast like a king, have lunch like a prince and dine like a pauper." Do you think this is the healthiest way to eat?
3. Cooking is a way to show affection to our friends and family. Have you ever cooked a special meal for someone you love? What?
4. "We are what we eat", said Hippocrates. Do you agree with his statement?
5. Many TV programmes are all about cooking, from simple recipes, to crazy cooking competitions. Why do you think people are so interested in this topic, nowadays? Do you have the cooking craze (obsession), too?
