

04. Topic Writing

Write *and* ***upload*** *and* ***essay*** *in about* ***100*** *words, in an appropriate style, using the words on the wordlist.*
The topic is the ENVIRONMENT.

Choose one of the following questions:

1. Many people think that protecting the environment will change their standard of living. Do you agree?
2. What is the first thing we should do to protect the environment?
3. Urban areas without cars would be better for the air we breathe. Do you agree?
4. Scientists say that within 100 years, Earth will no longer be able to sustain its population. Are you worried?
5. Some say that we are all destined to extinction and that the planet is able to cure itself. What do you think?
